Tuesday 22nd February 2011

KCGM Cleans Up!

KCGM employees are doing their stretches and picking up their enviro-sacks for Business Clean Up Australia Day on Tuesday 1st March 2011.

Our beautiful Goldfields attracts tourists and visitors from all over the world, and we want to help keep our town, and Australia beautiful.

Around one hundred and twenty KCGM staff will be picking up rubbish along The Goldfields Highway from Hannan St to The Lookout (plus the dog-leg up to site) from 6-8am on Tuesday 1st March 2011.

If you have any old mobile phones you need to get rid of, you can bring them along for recycling and drop them in the phone bag at the entrance to the Super Pit Lookout [*Ed note: at the gates of Outram Street entrance*] during this time.

Look out for the busy hard hats and orange shirts bobbing along the side of the highway!
