

KCGM MEDIA RELEASE

Wednesday 31st August 2011

The icing on the cake

A very successful Cupcake Day at KCGM was the sweetest fundraiser yet!

The ladies of KCGM baked up a storm to raise funds for the RSPCA Cupcake Day recently [*Ed note: Monday 15th August*], producing hundreds of fluffy delights to tantalise the tastebuds of everyone on site.

Wearing their nifty little “Cupcake Cook” badges, the ladies delivered trays of beautifully decorated sweet treats to every department, including the Super Pit Shop, to sell at morning tea time [*Ed note: 10.30-11.30am*] for a gold coin donation.

The cupcakes may well have set a new land-speed record, disappearing in the blink of an eye!

The staff raised \$733, which will go to the RSPCA to help animals in need.
