

KCGM Media Release

7 January 2009

Accident at KCGM site

Kalgoorlie Consolidated Gold Mines regrets to advise that an employee was seriously injured yesterday at its Fimiston Operations.

The injured person was a female truck driver. Her vehicle was stationary at the time of the incident. The Employee is in a serious condition and has been transferred to Royal Perth Hospital.

The incident has been reported to the Department of Consumer and Employee Protection.

Acting KCGM Registered Manager, David Nicholson said that *"our immediate focus at this difficult time is on the employee and her family."*

A handwritten signature in blue ink, appearing to read "David Nicholson", with a stylized, cursive flourish.
