FIMI^{STON} OPEN PIT OPERATIONS **Noise Regulation 17 Variation Application – EPA Report**

KCGM applied to the Minister for the Environment for approval to vary the noise level standard for the existing and proposed Fimiston operations.

The EPA Report and Recommendations regarding this application is now available for a 2 week public comment period.

We encourage the community to take an interest and provide written feedback regarding this report.

KCGM encourages the public to review this report and provide feedback by Monday 12 November 2007.

Copies of the report are available at the:

- EPA website – www.epa.wa.gov.au
- KCGM website - www.superpit.com.au
- Super Pit Shop, 2 Burt Street, Boulder

If you have any questions or would like further information please contact us at the Super Pit Shop, on 9093 3488 or via the Public Interaction Line on 9022 1100.
